

Project number: 2018-1IT02KA201048274

MONITORING TOOL

Goal: Detect the meaning of the two properties of the powers by improving the logical skills, logic, graphics and algebraic.

	Arithmetic	Geometry	Algebra
Memory			
Reasoning			X
Visual-spatial			

Complete using power properties:

In a pallet we have 5 boxes. In each of them there are 25 pencils.

Show the total number of pencils with the power of 5.
